Product specifications

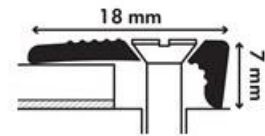

Quick-Step® Livyn end profile commercial use QSVENPCOMSILV

Aluminium, silver tone

Dimensions 1 PC: 200 x 1,8 x 0,7 cm

Contents 1 PC: 1 pre-drilled aluminium end profile, screws (stainless steel 3,5x35 mm) and plugs (5x25 mm).

Order quantity: per 1 PC in shrink-wrapping.

Product description

- Subtle and elegant profile for use in commercial areas. Use the profile to cover the expansion joint between your Livyn floor and e.g. a wall, window or threshold, or as a connection to a carpet.
- Can be used with **clicked** Livyn floors (in lesser extent with glued 2.5mm floors).
- Extra wear-resistant quality aluminium, silver tone.
- Installation with the supplied screws and plugs (installation without sub-profile). **Tip:** avoid fixing the floor too firmly between the end profile and the subfloor. Make sure you can still slide a piece of paper between the profile and the Livyn floor.
