LIVYN

Product specifications

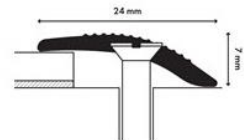

Quick-Step® Livyn adapter profile commercial use QSVADPCOMSILV

Aluminium, silver tone

Dimensions 1 PC: 200 x 2,4 x 0,7 cm

Contents 1 PC: 1 pre-drilled aluminium adapter profile, screws (stainless steel 3,5x35 mm) and plugs (5x25 mm).

Order quantity: per 1 PC in shrink-wrapping.

Product description

- Subtle and elegant profile for use in commercial areas. Use the profile to make the transition between a higher and a lower floor, e.g. at a door entrance.
- Can be used with both **clicked** and **glued** Livyn floors.
- Extra wear-resistant quality aluminium, silver tone.
- Installation with the supplied screws and plugs (installation without sub-profile). Screw at an angle of 90° into the subfloor (see technical drawing above). **Tip:** avoid fixing the floor too firmly between the adapter profile and the subfloor. Make sure you can still slide a piece of paper between the profile and the Livyn floor.
